Summary

Abdelrahman Medhat Saad Nawar, A 20-year old Computer Science and Engineering Student at E-JUST

Education

Egypt Japan Universty for Science and Technology (E-JUST)

B.sc of Computer Science and Engineering • Borg El Arab, Alexandria   07/2023

Skills

- Python
- Web Scraping
- Assembly (AVR)
- Version Control
- Powerpoint
- Teamwork
- Data Analysis
- C
- Arduino
- Excel
- Problem Solving
- Communication skills

Certificates

Udacity | Nanodegree in Data Analysis

Projects

Applying RC5 Algorithm using AVR microcontroller | **Assembly**

Converting cpp enums to python | **Python**

Scraping Timesjob.com for Python jobs | **Python**

Data cleaning and analysis of sensor logger data | **Python**

Text Based Rock Paper Scissors | **Python**

Breadth first search of AVL Tree using circuilar Deque | **Python**

Basic Computer (Mano's) Assembler | **Python**

Activities

PR | EJUST IEE Student Branch May 2020 - Present

Languages

- Arabic (Native)
- German (Beginner)
- English (Advanced)
